WHO WE **ARE?**

Pasitea Spa, evokes the goddess of rest and relaxation, concepts on which we base our services. In our spa you will find inner peace and disconnection from the outside world. We are the best option for mental rest; We transmit through our hands the necessary balance between body and spirit.

OUR **ACTIVITY**

We are specialists in performing relaxation massages; We focus on international clients, because we are aware that after a long trip the body needs to recover and feel well-being. We have a variety of packages with the best cost-benefit ratio. Our main objective is to transmit rest, peace and tranquility.

MISSION

At Pasitea Spa we are committed to providing an optimal quality service for the health, well-being and comprehensive beauty of our clients. The services we offer are aimed at sensory awakening, generating physical and mental renewal for those who put their rest in our hands.

VISION

In the short term, Pasitea Spa will be recognized nationally as one of the innovative massage therapy centers, in the field of relaxation with the application of special techniques focused on rest, seeking special harmony between body, mind and spirit. In the medium and long term we will venture into international media, expanding our coverage of service, satisfaction and happiness.

FOOT Ritual

PASITEA Spa

Treat your feet to a deeply relaxing, rejuvenating experience.
Our PASITEA SPA Foot Ritual is a therapeutic and relaxing treatment designed to release tension, activate circulation, and restore softness and well-being to your feet, which support your body every day.

Benefits:

- Relieves tiredness and heaviness in legs and feet.
- Improves circulation.
- Reduces swelling.
- Softens heels and soles.
- Provides physical and mental relaxation.

Ideal for people who spend a lot of time on their feet, wear heels, play sports, or simply want to pamper themselves.

DEEP FACIAL *Cleansing*

A deep facial cleansing allows the skin to oxygenate, as it becomes brighter and looks softer and smoother. Additionally, it helps reduce the appearance of fatigue. Deep cleansing of the skin unclogs the pores, decongests them and reduces their size, making them much less visible on the face.

INCLUDES

- Sanitization
- Exfoliation
- Ozone steam application
- Extraction of comedones and blackheads
- Soothing mask
- LED mask
- Moisturizing mask
- Moisturizer and sunscreen

FACIAL
Hydration

Treat your skin to a deep respite of well-being and radiance. Our Facial Hydration treatment is a ritual designed to revive, nourish, and restore your face's natural balance, combating dryness, dullness, and signs of fatigue from the very first session.

Through specialized techniques and highly hydrating active ingredients, your skin feels softer, fresher, and more radiant, with a noticeable and palpable glow. This treatment not only improves the appearance of your face but also restores the skin's natural barrier, leaving it protected, supple, and full of life.

40 MINUTES:
$140.000 COP

FACIAL
porcelanization

The secret to revealing visibly smoother, more even, and radiant skin, with a soft, polished finish that captivates at first sight. At Pasitea Spa, we transform this treatment into a profound renewal experience, where every step is designed to enhance your face's natural beauty.

Through a combination of controlled exfoliation, brightening actives, and specialized techniques, we perfect skin texture, minimize pores, soften fine lines, and even out skin tone, leaving an immediate and elegant porcelain-like effect.

1 HOUR:
170.000 COP

LYMPHATIC
Drainage

Lymphatic drainage massage is one performed with gentle movements to facilitate the flow of lymph. By stimulating circulation, the body receives a series of benefits such as reducing cellulite, inflammation, bruising or helping to recover from injuries, among others.

1 HOUR

$200.000 COP

POST-SURGICAL Drainage

Essential support in your recovery process. Designed to stimulate the lymphatic system, reduce inflammation, prevent fibrosis, and relieve heaviness, this treatment helps your body heal faster, more safely, and naturally.

Through gentle, precise, and specialized techniques performed by trained professionals, we promote the elimination of retained fluids and toxins, improve circulation, and encourage a more comfortable and effective recovery, always respecting your body's natural rhythms and needs.

30 MINUTES:
130.000 COP
